Notes on Engine Label

- Serial Number and Date of Mfr will be under adhesive window allowing installer to transfer information from product label- instructions will be provided in product manual

Notes on Product Label

- Product PFSCXXH; XX = Purifilter Model / Filter Size; H denotes Purifilter H
- Part Number*: If sold as a complete system, the Part Number begins with an A11 pre-fix. If sold as a spare centerbody, it would have a C19 pre-fix in the part number.
- Serial Number Pre-fix "R" on all A11 system or C19 spare filters will denote ARB oo-road warranted product if returned under warranty claim to ECS.
- Serial Number Pre-fix will also denote which Verification Order was applicable to product
- Serial Number also links to Date of Mfr in ECS internal records
- ADB 9 represents filter lot code
